

PROVINCE OF ONTARIO'S COVID-19 ROADMAP TO REOPEN

COVID-19 ROADMAP TO REOPEN

The Roadmap to Reopen is a three-step plan to safely and cautiously reopen the province and gradually lift public health measures. The plan is based on:

- the provincewide vaccination rate
- improvements in key public health and health care indicators

Guiding Principles:

STEP 1	STEP 2	STEP 3
An initial focus on resuming outdoor activities with smaller crowds where the risk of transmission is lower, and permitting retail with restrictions.	Further expanding outdoor activities and resuming limited indoor services with small numbers of people and with face coverings being worn.	Expanding access to indoor settings, with restrictions, including where there are larger numbers of people and where face coverings cannot always be worn.

For more information: <https://www.ontario.ca/page/reopening-ontario>

Businesses and services that can operate in each step, including restrictions or measures required to operate, are further defined in the Reopening Ontario Act, 2020. The following authorities make decisions regarding reopening Recreation Division offered amenities and services, including final compliance requirements and guidelines:

Emergency Operations Centre (EOC)

Provides approval for any municipal services reopening/closing

City of Hamilton, Public Health Unit (PHS)

Identifies local application of measures, including any additional public health requirements for safe reopening

Recreation Management Team (REC)

Identifies Division phased service return and procedures to ensure measures are met by all staff teams

	50 per cent Capacity	75 per cent Capacity
Determining Capacity Limits	Determined by taking 50 per cent of the maximum occupant load of the business or facility, or part of a business or facility, as calculated in accordance with Ontario Regulation 213/07 (Fire Code).	Determined by taking the total square metres of area accessible to the public, dividing that number by 1.33, and rounding the result down to the nearest whole number.

RECREATION FACILITIES

REQUIREMENTS FOR ALL PERMIT HOLDERS

HAMILTON
RESPONDS»

City of Hamilton RECREATION INDOOR & OUTDOOR FACILITIES Requirements for all permit holders in Step 3		Effective June 11, 2021 STEP 1	Effective June 30, 2021 STEP 2	Effective July 16, 2021 STEP 3
