

novel coronavirus (COVID-19)

Laundry operations and guidelines

Keep your physical distance

We are doing our part to keep our laundry rooms running safely, while protecting our staff and our residents by exercising physical distancing.

You can help by:

- Limiting laundry room visits to loading and unloading of washers and dryers only.
- Not waiting in the laundry room while the wash and dry cycles are in progress.
- Folding clothes in the comfort of your own home and not in the laundry room.
- Limiting the laundry room access to one member per household.
