COMMUNITY MEETING (WEBINAR)
PIER 8, BLOCK 16:
RESIDENTIAL TOWER DESIGN OPTIONS
March 8, 2022

Hosted By:
Municipal Land Development Office, City of Hamilton
Waterfront Shores Partners
LAND ACKNOWLEDGMENT

“The City of Hamilton is situated upon the traditional territories of the Erie, Neutral, Huron-Wendat, Haudenosaunee and Mississaugas. This land is covered by the Dish With One Spoon Wampum Belt Covenant, which was an agreement between the Haudenosaunee and Anishinaabek to share and care for the resources around the Great Lakes. We further acknowledge that this land is covered by the Between the Lakes Purchase, 1792, between the Crown and the Mississaugas of the Credit First Nation.

Today, the City of Hamilton is home to many Indigenous people from across Turtle Island (North America) and we recognize that we must do more to learn about the rich history of this land so that we can better understand our roles as residents, neighbours, partners and caretakers.”

PURPOSE OF THIS COMMUNITY MEETING

The City of Hamilton has initiated Official Plan and Zoning By-Law Amendments on lands identified as Pier 8, Block 16 located at 65 Guise Street (Files: UHOPA-22-001 / ZAC-22-003). The applications propose a 45-storey residential building consisting of approximately 429 units.

The purpose of this virtual community meeting is to:
• Overview the design review process
• Present three tower design options that address innovation in three areas: sustainability, quality of life and design excellence.
• Receive your feedback on the tower design options and answer questions

Feedback from the meeting will be provided to Waterfront Shores Partners as part of the process of refining the final proposed design and will be provided to City Council for their consideration of these development applications.
FORMAT FOR THE MEETING

• A live presentation will be given followed by Q and A
• You can ask questions or provide comments by typing these into the "Q & A"
• The Facilitator will read out the questions for the City and Waterfront Shores to respond to.
• Your name will not be read aloud when questions are asked

The recording of the meeting presentation and slides will be available after March 10, 2022 at www.hamilton.ca/pier8block16
QUESTIONS TO CONSIDER

The tower design options presented tonight will address innovation in sustainability, quality of life, and design excellence.

- Are there features that resonate with you?
- Which tower elements do you like that represent quality of life, sustainability and design excellence?
- What other suggestions do you have?

LOCATION and DEVELOPMENT STATUS
BACKGROUND – Pier 7 & 8 Urban Design Study

2017 – ZBA (No.17-095) and Draft Plan of Subdivision approved by Council for Pier 8

2017 – ZBA appealed LPAT, (Case No. PL170742)

2019 - Minutes of Settlement were approved by the LPAT for the ZBA appeal

2021

2022 – Official Plan And Zoning By-law Amendment application received for a change in land use and height for Block 16.
BACKGROUND – Minutes of Settlement

- City Staff to bring forward for Council’s consideration an Official Plan Amendment and Zoning By-law Amendment for Block 16 (Pier 8) to permit either residential or mixed-use in a mid-rise or high-rise form.

- Regardless of any additional height that may be approved on Block 16, there will be no change to the maximum number of residential units permitted on Pier 8 (1,645 units total).

- At least 15% of all units built as part of the Pier 8 development will be family units* (= 246 family units).

- Additional family unit requirements relative to building height increases on Block 16:
