

### Project Details

Project Boundary:	Ferguson Ave (both ends)	Funding Source:	On-street Cycling 2021
Phase:	Design (2022 Install)	Project Length:	150 m
		Ward	2

### Key Map

### Description

Construct a bicycle path through Shamrock Park beside an existing sidewalk. It will provide a cycling connection along Ferguson Ave where cyclists currently are required to dismount at the southern terminus of the existing Ferguson Ave bicycle lanes in order to pass through the park. Ferguson Ave continues for cyclists at both ends of this park..

### Precedent Images and Visualizations

Edwards Memorial Park

Corktown Park

## Potential Impacts

### HSR Route/Area

No route(s) on Ferguson Ave

### Impacts

No impacts anticipated

## Parking Review

No on-street parking within project boundaries

## Rationale

The bicycle path will reduce cyclists illegally riding on the adjacent sidewalk, providing a contiguous cycling connection between the two segments of Ferguson Ave. The path will be a formal portion of the Trans Canada Trail and the Waterfront Trail/ HamBur Loop.

## Cycling Facilities Nomograph Alignment (OTM Book 18)

NOT APPLICABLE

## Strategic Alignment

### Capital Plan

Shamrock bicycle path is not on the capital plan.

### Transportation Master Plan

Action 15 - As part of the implementation of the cycling network, undertake an evaluation of alternatives in order to select routes which maximize safety for cyclists and promote continuity of the network across the City.

### Sustainable Mobility KPI's and Cycling Master Plan

Increase kilometers of cycling infrastructure

Facilitate Pandemic Response through active transportation
