**Brief description of the project:**

The applicant proposes to construct a three storey front addition and a one storey rear addition to the existing multiple dwelling building.

**Brief description of existing and planned context:**

The subject lands currently contain a three storey multiple dwelling building (Briertan Apartments) and a one storey detached garage at the rear.

**Surrounding Land Uses:**

There are existing three to five storey multiple dwellings to the north, south and west of the subject lands and two to two and a half storey single and multi unit residential dwellings to the west and east. There is a one storey retail department store and associated surface parking area north-east of the subject lands and a place of worship to the north.

1. **Review of Formal Consultation Document (file number, proposal and applicable studies identified):**

- N/A
- There is an active Minor Site Plan application (MDA-21-051) for the proposed one storey rear addition to the existing building. The proposal has since been modified to include a three storey front addition to the existing building which will trigger the requirement for a Site Plan Amendment application.

2. **Key Questions for Panel (refer to Design Review Panel Questions):**

- Does the proposal conserve and respect the existing built heritage features of the area? (B.3.3.2.3 d)
- Does the proposal use materials that are consistent and compatible with the surrounding context? (B.3.3.2.4 c)
- Does the proposal contribute to the character and ambiance of the community through appropriate design of streetscapes and amenity areas? (B.3.3.2.3 g)
