PERMIT

ISSUED UNDER THE CONSERVATION AUTHORITIES ACT, PURSUANT TO ONTARIO REGULATION 161/06 – HAMILTON CONSERVATION AUTHORITY DEVELOPMENT, INTERFERENCE WITH WETLANDS, AND ALTERATIONS TO SHORELINES AND WATERCOURSES REGULATION.

Permission has been granted to: City of Hamilton, Tim Crowley
Phone: 905-546-2424 Ext. 5063
Mailing Address: Public Works, 71 Main St W, Hamilton, ON L8P 4Y5
Location: in a regulated area associated with the Chedoke Creek, in the City of Hamilton
For the: targeted dredging in a regulated area associated with the Chedoke Creek, 200 Macklin Street North (plus Chedoke Creek parts of 330 Macklin Street North and 16 Old Guelph Road, in the City of Hamilton (Hamilton)

on the above property during the period of February 22, 2022 to February 22, 2024 subject to the following conditions.

1. The Owner shall retain a copy of the HCA permit and approved plans on-site at all times during construction;

2. The Owner shall adhere to the HCA permit and approved plans, documents and conditions, including HCA redline revisions, herein referred to as the "works", to the satisfaction of HCA. The Owner further acknowledges that all proposed revisions to the design of this project must be submitted for review and approval by HCA prior to implementation of the redesigned works;

3. The Owner shall notify the HCA Watershed Officer 48 hours prior to the commencement of any of the works referred to in this permit and within 48 hours upon completion of the works referred to herein;

4. The Owner shall arrange a final site inspection of the works with the HCA Watershed Officer prior to the expiration date on the permit to ensure compliance with terms and conditions of the permit to the satisfaction of the HCA;
5. THAT all erosion and sediment control measures be installed prior to development, and maintained throughout the construction process, until all disturbed areas have been restored;

6. THAT all erosion and sediment control measures be inspected after each rainfall to the satisfaction of Authority staff;

7. THAT any disturbed area not scheduled for further construction within 45 days be provided with a suitable temporary mulch and seed cover within 7 days of the completion of that particular phase of construction;

8. THAT all disturbed areas be re-vegetated with permanent cover immediately following completion of construction;

9. That the works are undertaken pursuant to the “Chedoke Creek Remediation Project Permitting Compliance Report”, prepared by Wood Environment & Infrastructure Solutions, dated November 2021;

10. That the works are undertaken pursuant to the attached plans (G-001, G-002, C-101, C-102, C-103, C-104, C-105, C-106, C-201, C-301, C-302, C-501, C-502, C-503, C-504, C-505) prepared by Wood Environment & Infrastructure Solutions, dated February 15, 2022 and marked as “100% Final Design-Issued for Permit”, and

11. That the HCA be provided with the final approved post-construction monitoring requirements.

NOTE:

1) This permit may be withdrawn by the HCA if the works do not comply with the above noted conditions. Non-compliance with permit conditions also constitutes a violation of the regulation and may result in charges being laid.

2) The issuance of this permit does not abrogate the necessity of obtaining all other required permits for development and construction, i.e. permits required by the Niagara Escarpment Commission, Municipality, Ministry of Natural Resources and Forestry, Harbour Commissioners and any or all other agencies.
