Highway Corridor Management Permit Conditions

Permit Number: BL-2022-20T-00000036
Permit Version: 1
Date Approved: February 10, 2022

The permit is subject to the following conditions:

1. In addition to the conditions of this permit, the registered property owner must meet all of the requirements of the local municipality and any other agency having jurisdiction.
2. The work for which this permit is issued must commence within 6 months of the date that the permit is issued, or the permit shall be void and cancelled by the Ministry.
3. All work authorized by this permit shall be carried out in accordance with the approved plans, specifications and agreements and subject to the approval of the Ministry. The registered property owner must bear all expenses related thereto.
4. Vegetation on the right of way must not be cut or trimmed without the written permission of the Ministry. Any cutting or trimming permitted must only be done under the supervision of the Ministry or its authorized agent at the expense of the registered property owner. Any cutting or trimming of vegetation adjacent to the highway right-of-way requires the permission of the land owner.
5. The registered property owner shall ensure that the operation of the highway is not interfered with, and that the right-of-way remains free of debris, earth or other materials.
6. If there is an expiry date on this permit and a further term is required, a request shall be made to the Ministry before the expiry date. An extension may be approved, approved with additional conditions, or denied by the Ministry.
7. If during the life of this permit any Acts are passed or regulations adopted which affect the rights herein granted, the said Acts and regulations shall be applicable to this permit from the date on which they come into force.
8. The registered property owner holds harmless the Ministry for all damages and liabilities caused as a result of the works undertaken pursuant to this permit.
9. This permit may be cancelled at any time for breach of the regulations or conditions of this permit, or for such other reasons as the Ministry at its sole discretion deems proper. When a permit is cancelled for any reason, the registered property owner shall not be entitled to any compensation or damages by reason of or arising from the cancellation of the permit.
10. The use of the land or building(s) shall only be for the use stated on this permit. The use of the land or building(s) for any other purposes may result in the cancellation of this permit. A change in the use of the land or building(s) requires a new permit.
11. Construction to begin within 6 months of the permit being issued.
12. Vehicles, equipment, or materials are not permitted within the Ministry right-of-way, for the purpose of the development, at any time.
13. The Applicant is responsible for securing all other necessary municipal/agency, permits/approvals prior to construction.
14. Any alterations to the above noted plans or reports will require further approval from the MTO.
