FROM: Susana Capeloa, Manager Reportable Disease Control

DATE: August 12, 2022

Please be advised Hamilton Public Health Services has identified our reportable disease fax line experienced suspected technical issues starting August 11, 2022 at approximately 4:30 pm until August 12, 2022 at 8:35 am.

The affected fax line includes:

- Public Health Services Reportable Diseases Reporting Fax Line (905) 546-4078

We are asking that any faxes sent to this fax line between Thursday August 11, 2022 at 4:30 pm up to and including Friday August 12, 2022 at 8:35 am be resent.

The technical issue is fully resolved and we have been successfully receiving faxes as of August 12, 2022 at 8:35 am.

We apologize for this inconvenience. If there are any questions or concerns please contact the Reportable Disease Control Program at 905-546-2063.
