Amendment No. 172

The following text, together with Appendix “A” – Volume 3: Map 2 – Urban Site Specific Key Map attached hereto, constitutes Official Plan Amendment No. “172” to the Urban Hamilton Official Plan.

1.0 **Purpose and Effect:**

The purpose and effect of this Amendment is to establish an Urban Site Specific Policy to permit a noise barrier adjacent to a Secondary Corridor and to permit a minimum net residential density of 50 units per hectare within a medium density residential area of the Neighbourhoods Designation.

2.0 **Location:**

The lands affected by this Amendment are known municipally as 705 and 713 Rymal Road East in the former City of Hamilton.

3.0 **Basis:**

The basis for permitting this Amendment is:

- The proposed development is consistent with the Neighbourhoods policies of the Urban Hamilton Official Plan, save and except the scale policies for net residential density for Medium Density Residential areas;

- The proposed development is compatible with existing and planned development in the immediate area, implements the Residential Greenfield Design policies of the Urban Hamilton Official Plan, and contributes to the development of a range of housing forms;

- The proposed development has demonstrated that the use of noise mitigation measures other than a noise barrier is impractical and unfeasible, and that the required noise barrier will be consistent with the design policies of the Urban Hamilton Official Plan and will be compatible with existing and planned development in the immediate area; and,

- The Amendment is consistent with the Provincial Policy Statement, 2020 and...
conforms to the Growth Plan for the Greater Golden Horseshoe, 2019, as amended.
